UTAH SNAPSHOT

The resident population of Utah on April 1, 2020, was 3,271,616, a growth of 18.4% <u>the fastest-rate in the nation</u>. Its population is diversifying, particularly in metro areas where the state saw a jump in its Hispanic population. The population explosion was centered in the metro areas in the north, led by Wasatch County's eye-popping 47.8% leap in the past decade. Followed, in the south, by Washington County, which grew by 30%. Salt Lake County's population rose by 155,583 people to 1,185,238, good for a 15.1% jump.
