WORK ENVIRONMENT

The work environment at UICSL involves normal office conditions and noise levels that can vary from low to moderate. Additionally, the position requires the incumbent to walk around the UICSL premises, enter outside clinic pods and/or stationery at the front desk area. This position may be exposed to certain health risks that are inherent when working within a health center facility.

PHYSICAL DEMANDS

While performing the duties of this job, an employee may frequently stand, walk, sit, reach, bend, twist, talk and hear. There may be periods walking, standing, lifting and ladder use. Some driving or riding in transport vehicles is a part of this position. An employee must occasionally lift and/or move up to 25 pounds. Specific vision abilities required by this job include reading, distance, computer, and color vision. Talking and hearing are essential to communicate with patients, vendors, and staff.

MENTAL DEMANDS

The workload in this position are dynamic and range from an awareness of technical details, to engaging broad strategic ideas and discussions. The incumbent in this position will often work with other members of the Facilities team and may be asked to perform duties by various Divisions. This position will require the ability to multi-task and different situations that impact the UICSL.

Disclaimer: *The information in this document is designed to portray the general nature and level of work performance expected by employees in this position. It is not intended to be a comprehensive inventory of all duties, responsibilities and qualifications required of employees assigned to this position.
