Subject: UICSL Clinical Grand Opening - *Postponed*

Dear Community Members,

It is with deep regret that we inform you of the postponement of the Murray Clinic Grand Opening to a later date. This decision ensures we have ample time to provide a high-quality experience for all attendees.

We are pleased to confirm that the grand opening will still feature all the promised activities—food, music, bounce castle, giveaways, and a cultural celebration—on the newly scheduled date. The new date will be announced on our social media platforms and website.

We sincerely appreciate your patience and continued support during this process. We look forward to your involvement as we commemorate this significant milestone in our organization's growth.

Thank you for being so understanding. We eagerly anticipate celebrating with you soon. In the meantime, our Center and Clinic remain open and ready to serve you!

Warm regards,

The Urban Indian Center Staff and Executive Team
